ABOUT THE SPEAKER:

Ellen Stein, Ph.D., is an Adjunct Clinical Professor at Alliant International University in San Diego. Dr. Stein teaches the BOP/BBS required workshops in Law/Ethics and Domestic Violence for various schools, county health departments and mental health agencies across California. She is also a forensic expert offering assessment, expert witness testimony and treatment in both civil and criminal cases. Dr. Stein consults with licensed mental health practitioners who face either inquiry or investigation by the BBS/BOP. She is also a lead instructor for the AATBS, training candidates for the national psychology license exam (EPPP) throughout the Western United States. She has published extensively on legal and ethical issues. Her training workshops are known for her outstanding interweaving of valuable ethical training in an entertaining and engaging style.
